## Prefixes

Read the following list of prefixes, then write the prefixes in alphabetical order. Remember: A prefix is a group of letters added to the beginning of a word to change its meaning.

| post- ante- | kilo- | pro- | geo- | bio- | retro- lari- zoo- multi- |  |
| :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- |
| hydro- sub- | extra- | ultra- | fore- | peri- | iso- | contra- therme- |

Use a dictionary to find a word beginning with each of the prefixes listed above. Write each word in a sentence that shows its meaning.
antechamber:- We came to a small antechambonen ........... before entering the main hall.
